All,

The vote in CIS, EBM, and MCS on whether to include Political Science in the future Gallo School has ended – and there was overwhelming support within each department and unanimous support across departments:

CIS – 15 yes – 0 no – 2 abstain – 0 unreturned

EBM – 13 yes – 1 no – 0 abstain – 3 unreturned

MCS – 11 yes – 1 no – 0 abstain – 2 unreturned

The Political Science faculty have also voted unanimously in favor of joining the future Gallo School. Jessica Trounstone and Nate Monroe will represent PoliSci on our Core Planning Team/Executive Committee.

Please join me in welcoming the Political Science faculty to the future E & J Gallo School of Management at UC Merced!

We will soon plan a meeting of the four proposed Gallo School departments to provide updates, answer questions, and gather feedback – probably sometime in early October. We hope to revise the pre-proposal with your input and with broad input from across the campus in the next few months.

Please feel free to reach out with any questions, comments, or concerns – to me or any of the Gallo School Core Planning Team/Executive Committee members (Rob Innes, Crystal Kolden, Nate Monroe, Dave Noelle, Alex Petersen, Michael Spivey, Jessica Trounstone, and Fanis Tsoulouhas).

The planning team and I are very grateful for your support and enthusiasm for this effort. Thanks so much.

–Paul
